

Teen Town News (cont'd)

are a few couples dancing and enjoying themselves. They don't care if you sit there all night and are miserable, they are having fun.

Our next Teen Town dance will be held in about a week from this publication, and if the attendance and participation is as poor, we feel Teen Town will gradually fold up. This is entirely up to you as a person, and I hope you take the right steps, and we will all be better off because of it.

HOME & SCHOOL ASSOCIATION - The executive committee of the Home & School Association met on Wednesday, November 6, to decide upon the method of disbursing the funds of the Association. It was decided that in order to spend the money to benefit the largest possible group and to stay within boundaries of home and school interests, the money would be used to purchase a record player for each of the elementary schools. The Association's dishes were bequeathed to the High School.

The executive hopes that this decision will be satisfactory to all the members.
