Wig Family Leaving Christmas Bazaar

Terrace Bay

This Saturday, November 23rd 2 - 5 p.m.

Friday November 22nd will mark the end of almost ten years residence in Terrace Bay for our former Mill Manager, Mr. J. C. (Joe) Wig and his family. As previously reported Mr. Wig was named Mill Manager of the Irving Pulp and Paper Company Limited, St. John, New Brunswick, effective November 1st. The Wigs will make their new home in Lancaster, N.B., which we understand is practically a part of the city of St. John.

During their residence here, the Wig family have been very active in community affairs. Their many friends have made this week a busy one for them as numerous social functions have been convened in their honour.

On behalf of the people of Terrace Bay, we take this opportunity to say - "Good luck - we enjoyed having you with us and we will look forward to your visits in the future".

SUPERIORS TO MEET MARATHON - SUNDAY 2:00 P.M.
- TERRACE BAY ARENA -

Fort William Beavers tangled with Marathon and Terrace Bay last week-end, and a look at the scores indicates that a game between Terrace Bay Superiors and Marathon Mercuries would be a good one to see.

There can be no odds given on this game -- Marathon won 2 - 1 -- Terrace lost 3 - 2 but Beavers were bolstered Sunday by the addition of three powerful players: Madigan, Saplywy, and M. Irvin; this trio was responsible for every goal slammed into the Terrace net.

So -- with this in mind and remembering the keen competition between these rivals -- See you Sunday at the Terrace Bay Arena!!
