## MEN'S CHORUS

The Terrace Bay Men's Chorus Members all claim to be in good voice this year and feel that they have whipped up some really good numbers for your enjoyment. The best way to find out if they are just bragging or really do have something is to keep Friday evening, December 6th free to hear the Men's Chorus sound off in their second Annual Fall Concert at the Auditorium.

## IS SANTA CLAUS COMING THIS YEAR? - Of course

he is. Who ever heard of such a question! Yes, Santa is coming all right, at least there is no doubt in the minds of any of the children of this town.

However, give a thought to those who are not so fortunate, those poor and homeless children to whom Christmas is just like any other time of year.

It is with these children in mind that the local boy scouts conduct their Xmas toy shop.

For the information of the many new people in town this consists of collecting any old broken or unwanted toys, regardless of condition and putting them in good shape. They are then shipped to the Lakehead for distribution.

The following is a letter received last year from the Children's Aid Society.

"Dear Boys I regret that I cannot address you by name, as I was unable to find that information in any of the eight boxes of toys we received in good shape.

It was rather strange how things all worked out. We had been counting on gifts of toys from a particular source which did not materialize. At the last moment we felt that some needy children would have to go without toys. But just at this time we got your boxes. Mrs. Holt, a social worker, and myself were pretty busy getting them distributed, thankful that they had arrived at a time we needed them so badly.

The Board of Directors and staff of the Port Arthur Children's Aid Society want to thank all who were concerned in this project most sincerely."

(Signed) J. B. Skinner,  
Local Director.

As you can see from the above this is indeed a worthwhile project, so - how about it folks? - Any old toys?

If so, just contact, John Shivas, Bryan Peterkin, or Bill Megraw and your toys will be picked up gladly.
