THE "SPIDELL'S" ENTERTAINED AT LONGLAC

On Saturday, November 30, Mr. and Mrs. Malcolm Spidell visited Longlac to attend a dinner held in their honor on the occasion of Malcolm's retirement from the company.

Many of Malcolm's old friends, including Mr. Cy. Flatt, a pioneer of the logging industry in Northwestern Ontario, were present.

Malcolm was presented with an electric blanket and an end table type cribboard.

Following the dinner, the guests spent the balance of the evening at a social gathering at the Staff House Lounge.
