

SUPERIORS BEST NIPIGON

8 - 3; 9 - 6

The North Shore Hockey League schedule opened Saturday night for the Terrace Bay Superiors not with a bang, but with a decided disappointment for the fans.

Sunday's game made up for the lack of hockey Saturday and further disappointed fans but this time it was because they hadn't attended.

After the welcoming of the teams by Joe Heenan, the tossing of the first puck by Peter Mazza and the opening blast of the ref's whistle Whalen, Maurice Osmar and Desrosiers took 28 seconds to open the scoring against Nipigon. Seven seconds later Marvin Osmar and Whalen added another goal to the total. These two surprise attacks seemed to take what spark Nipigon had right out of them.

They did however rally sufficiently to score twice in the first period and again in the second, Ward with Swan at 9:54, Baxter with Manilla at 13:46 and Ward with Baxter at 17:23 of the second. Meanwhile the same group of players on the Superiors were racking themselves quite a credit. Maurice Osmar at 10:34 of the first, Desrosier assisted by Whalen and Maurice at 12:57 and Whalen with Marvin Osmar at 19.09.

The second period did show a little bit of good hockey, the only scoring for the Superiors coming from Tookenay with an assist by Calder, but there was little else to keep an interest in the game.

The final stanza just petered out with Maurice Osmar, Marvin & Whalen adding to the score and Lindquist, Calder, and Hansen ending the scoring for the game at 14:53.

.....

With a complete reversal of attitudes and ability the two teams met Sunday to make up for what they lacked on Saturday.
