OLSEN RINK REPRESENTS CLUB IN NORTH WEST PLAYDOWNS

The O. Olsen rink, by virtue of two consecutive wins over the Ostling foursome will represent Terrace Bay at Marathon on February 1st in the Zone playdowns.

Last Saturday Olsen defeated Ostling in two very close games which saw some very fine curling — and if this standard of curling is maintained our Terrace Bay rink should go on to win at Marathon.

Best of luck to O. Olsen, J. MacDonald, L. Crockford, and H. Solly in the North West Playdowns.

SUPERIORS AT RED ROCK THIS WEEK-END

Superiors will journey to Red Rock this week-end to meet the Red Rock Royals. This should be well worth seeing. With support the Superiors should take both games. Then with their morale bolstered the Superiors will meet MARATHON TUESDAY NIGHT AT TERRACE. The tables should be turned on this one.

Thursday January 23rd Terrace Bay will be at Marathon. This one is hard to predict. Marathon is tough, especially on their own ice.

SUPERIORS LOSE TO MARATHON

Marathon Mercuries iced ten of their players to challenge the league-leading Superiors at the Terrace Bay Arena, Tuesday night.

After sixty minutes of offensive and defensive play the Mercuries downed Superiors five to two and put themselves North Shore Hockey League leaders by one point.

Superiors went ahead 1 - 0 in the first period on a well executed play by Calder, Whalen and Osmar which proved to be the only well completed play Superiors made for the remainder of the game.

LeBlanc for Marathon started Mercuries off at 0:33 of the second period and while the Superiors were skating in circles fumbling passes, Bolan, Henderson and Cox had each made a contribution to the Marathon total.

Blom of Terrace Bay made the lone counter for Superiors in the period.

Superiors by necessity took over the play in the third, but having practiced for two periods they were able to muff every opportunity they had at the Marathon net.
