SYMPATHY

Francis Hanna left for Winnipeg last week to attend the funeral of his Father Mr. Habid Hanna who passed away in St. Boniface Sanatorium on Wednesday.

Our sympathy is expressed to Francis and his family.

USE FOR YULE CARDS

The following item taken from the Toronto Star would seem to be most timely and appropriate. --

"Readers who may be wondering what to do with their Christmas cards should know about a group of disabled war veterans in England who would be grateful for them. These men are prevented by disability from working normally. All types of greeting cards are of use to them, especially Christmas and birthday cards. These are remade and sold by these veterans at reduced rates, mainly to hospitals and old age pensioners, in an endeavor to earn some of the small comforts which would otherwise not come the way of these deserving men. These cards may be sent to Guy Maloney, 86 Eleanor Rd., Harrogate, Yorkshire, England."

FIGURE SKATING JUDGE'S SCHOOL

A judges school for Figure Skating will be held on Sunday, January 19th at 1:00 p.m., in the local arena. Mrs. A. Pattison will be in charge of the group this Sunday although in the future Mrs. H. Bouchard will be taking this over.

All those interested will be welcome at this first session of the year. Several ladies passed as accredited judges last year and we hope these and others will attend. Part of the school will consist of instructions to be held in a heated room and the remainder at the arena.
