

TERRACE BAY
FISH & GAME
ASSOCIATION

There will be a meeting of the Association on Monday, January 27th, at 8:30 p.m. in the large meeting room of the Recreation Centre. This will be the annual business meeting when reports on 1957 operations are to be read, and also a report from the nominating committee on the election of officers for 1958.

A good turnout of members will help us get away to a flying start, as there are several items for our future programme, that require discussion. Please make every effort to attend. Visitors and new members are welcome to this meeting.
