NORTH SHORE HOCKEY LEAGUE (cont'd from p. 1)

Hard luck dogged Superiors heels when they met Marathon Mercuries last Thursday at Marathon, and lost by a slap shot from their own blue line with 3 seconds of play left in the third period. The final score - 5 - 4.

Hard luck kept pace with them again Saturday night at Red Rock when the Flyers dubbed them 10 - 3.

Things however changed for the better Sunday and we hope has started the Superiors on their way to their rightful spot in the League - TOP. -
