MINOR HOCKEY (cont'd from page 1)

Midgets - On Saturday 18th, Terrace Bay Midgets travelled to Manitouwadge for an overnight stay. Terrace won the Saturday game 7-4 and Sunday's game ended in a 4-4 tie. This town of some 2500 people really rolled out the red carpet for our boys. Billeting and meals were gratis and a trip through Geco mine and mill added to a most enjoyable trip. Let's see that Terrace does as well, when Manitouwadge returns our visit in the near future.

FeeWees - Saturday the 18th saw our all-star FeeWees meet Schreiber's FeeWee Cub team at our local arena.

After three full periods of play, the score remained 0-0 - although Terrace boys were threatening at all times they could not beat Schreiber's goalie. A five-minute overtime period was played with Schreiber scoring 2 goals winning the match 2 - 0. This was the third time these two teams had met; - Schreiber winning the first 7 - 1, and Terrace taking the second 5 - 4.

If you parents and hockey fans haven't had time over the holidays to see these little fellows play - be sure to come out to their next game on Saturday afternoon, January 25th when Red Rock will return our visit of December 18th -- you won't be disappointed.

FeeWees at Schreiber - Jan. 11th. - Terrace Bay FeeWees played their first game of the season on Schreiber ice.

The game was close all the way with never more than one goal between the two teams. An overtime period was required to
