

NORTH SHORE HOCKEY

FOR SALE

SUPERIORS TAKE ONE - LOSE TWO IN GAMES AT MARATHON & NIPIGON

4 burner Gurney Electric Range, \$30.00.

Going all out Superiors whipped Mercuries 9 - 2 last Thursday at Marathon, the first time this season that they were able to show the Mercuries up on their own ice. (We hope to see it done again). Then they turn around and trail Nipigon Flyers in week-end play 6 - 5 and 7 - 6.

- Apply 160 Birch Crescent, or phone 3698

This is something that we find hard to comprehend except perhaps the support at the Nipigon games by our own fans is less than when the games are at Marathon.

WANTED TO BUY

One small four or five drawer dresser.

- Phone 3509

We'll know for sure when Superiors meet either Flyers or Royals at Terrace.

REMINDER:

SUPERIORS TO PLAY AT FORT ARTHUR ARENA

- Phone 3-264.

Superiors take to the ice against the Fort Arthur Bear Cats, Sunday at 2:30 p.m., at the Fort Arthur Arena.

Playing at Red Rock Saturday night the Superiors will continue on to Fort Arthur Sunday. Lakehead crowds have not had the privilege of seeing the Superiors in action. Superiors are hoping to have some of their casualties back on the ice so should give the Bear Cats a little more than they bargain for.

Boy's grey winter cap and tan buckskin mitts. These items were left in the locker room after flyweight hockey practice last Friday. Please return to Chuck Coan or

- Phone 3349.

Any Terrace Bay fans who are at the Lakehead over the weekend will certainly brighten Superior prospects.

ATTENTION MINOR HOCKEY BOYS On Friday night at 6:30 please turn in any money for tickets you have sold along with the tickets which have not been sold.
