LIBRARY NEWS

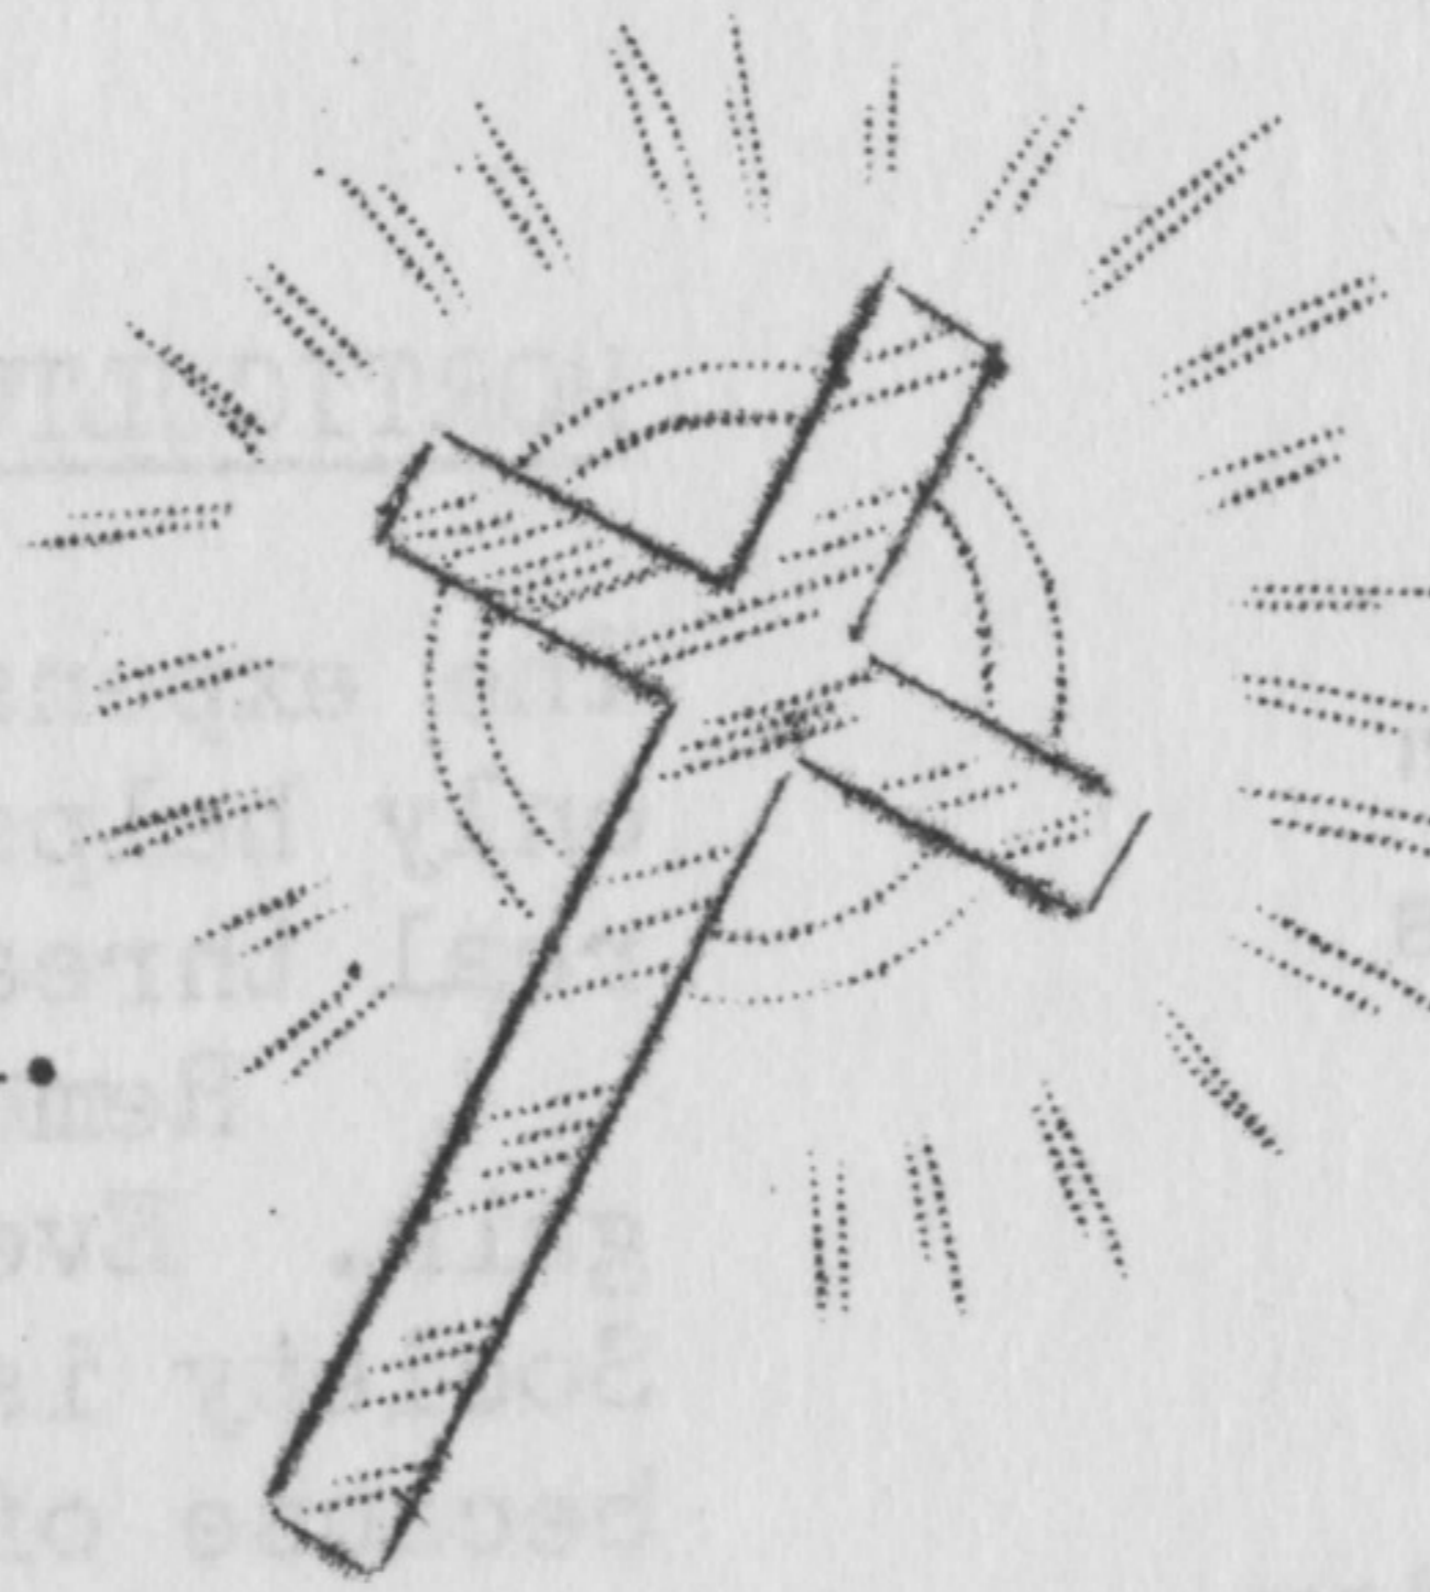

"Sharks and Little Fish "
by Wolfgang Ott.
- as translated from German.

All the terrors and tensions of modern warfare as experienced by men who man the submarines and minesweepers. This time, the picture is from the German side. Feichmann was just 17 years of age when he was thrown empty-handed into the horrors of naval warfare. Like the Caine Mutiny, The Cruel Sea, etc., this book contains the experiences of being trapped by radar and chased by depth charges, the endless ordeal of clinging to rafts in a merciless sea, the crude pleasures of shore leaves, and the horrors of war common to both foe and ally.

Library Hours - Monday and Wednesday
afternoons 2:30 to 4:30 p.m.

- Tuesday, Wednesday and
Friday evenings 7:00 to 9:00 p.m.
