## ART CLUB NEWS

The regular weekly meeting will be held Thursday, March 6th in the large meeting room of the Recreation Centre.

March 15th and 16th are the dates set for the 4th monthly lesson under the instruction of Mrs. Limon. This session will be devoted to portrait painting and will be an excellent opportunity for beginners and advanced artists alike to learn some of the basic techniques. Most of us have never attempted portrait painting before so it will be something new for everyone. As mentioned before, these instructions are open to anyone and if you would like to pick up a few points, you will never have a better opportunity.
