

EDUCATION WEEK MARCH 3 TO MARCH 7

Across Canada this week is being observed as Education Week.

Our local schools have had a busy week in observing this special week as Educational Week.

At the High School on Wednesday, March 5th, the parents were invited to visit the school at any time to observe the ordinary every day lessons in progress.

The Terrace Bay Public School had Tuesday, March 4th, set aside for parents to visit classes. In the evening from 7.30 to 9.00 the parents were given the opportunity of talking with the teachers and inspecting the pupils work. This was a successful program and was well attended.

St. Martin's School will hold their Open House on Thursday, March 6th. There will be two sessions - 2.30 p.m. to 4.30 p.m., and 7.00 p.m. to 9.00 p.m. All parents and interested people are cordially invited.

Education Week for 1958 concludes on March 7th. But as one local Principal has said this program for Education Week does not take the place of private and personal interviews with the teachers on your children's progress or other problems. Confer with your child's teacher as you are each a part of the team on whom the child's future depends.

DENTIST TO SET UP PRACTICE IN TERRACE BAY!!

It has been announced that an agreement has been reached with Doctor R. Drew-Brook to set up a dental practice in Terrace Bay. Dr. Drew-Brook it is expected will begin his practice about the middle of April or the 1st of May, 1958.

The Doctor is married and has one child.

'TOP DOG' TROPHY

MacDonald's Mongrels still lead the pack. On Saturday night they sneaked by Duquette 9-8 and on Tuesday night took Latour by the same score. This gives them four wins. However, with Crockford and Pineault nipping at their heels, the big money says they are headed for the bottom of the totem pole.

Not to be discounted are 'Big Jim' Beddard and 'Pres.' Hale, both doggedly fighting their way up.

Poor old good hearted 'Slippery' Solly can't seem to get past No. 6 spot. That's about as far as he gets when someone challenges him and beats him and down he goes again.

Challengers should always schedule games on the board to be assured of ice time.
