

Terrace Bay High School Girls Win North Shore Basketball Championship (cont'd)

Terrace Bay dominated the play during the game with Myrna Crandelmire controlling the backboard on defensive rebounds and with Helen Dennis moving into the pivot spot to set-up plays to Rhea Leclair and Daisy Lehto.

There efforts were in vain as the team lacked the ability to score in the last half as evidenced by their record of only 4 baskets scored out of 21 shots during that half.

Nip-Rock were very accurate with their field throws and this proved to be their biggest asset especially especially in the fourth quarter as Terrace went all out for a victory.

MEN'S 5 PIN BOWLING LEAGUE

This week the Slow Shots made up for their poor efforts of late by taking a perfect 9 points and jumping from last place into a first place tie. Orphans and Townsite were not so spectacular, but also gained and are now tied for second, only one point behind. Hydro ran into a bad week, but managed to hang on to share first spot. The net result of over three months of competition is that all four teams are separated by one point as follows: HYDRO & SLOW SHOTS - 95 points, ORPHANS & TOWNSITE - 94 points. The remaining 6 or 7 weeks should prove mighty interesting.

Nick Chopty was the Slow Shot hero with a 727 triple (302,225,200). He was helped by G. Drexler, 217, S. Keller, 213, and C. MacDonald, 217. Lew Edmunds had 640, (207,241), W. Adamo, 621 (239), S.
