

FINAL GAME IN N.S.H.L. FINALS THURSDAY
TERRACE BAY ARENA - 8 P.M.

This North Shore Championship series has turned out to be one that has stumped the experts, and they apparently will remain so until the final whistle of Thursday night's game.

Last Saturday the Superiors fell to the Red Rock Royals in an overtime period by a score of 5-4. They came back Sunday at Terrace to down Red Rock 7-3 but Gavin had to play a stellar game in goal to give Superiors the 4 goal margin.

Tuesday night's game at Red Rock was one that the local fans had hoped to put down as the final encounter by downing the Royals in their own territory. Instead the Superiors took a 7-4 dubbing, to tie the best of seven series at 3 games each.

Superiors right along have been the favorites, but the odds now have reached the even point. Superiors have the advantage of playing on their home ice but the Royals have shown through the series that they are a fighting, tenacious team. This determination has paid off in the past and it is a certainty it will not drop off one iota for the last encounter.

Superiors have not as yet shown the form they are capable of nor have they played with the same amount of fight that they showed when against Marathon during the semi-finals. A come-back to that type of hockey will be rewarding to the Superiors and give them a well-earned right to meet the Kenora finalists for the Thunder Bay Championship.

This Thursday then is THE game. With the fan's support the team can make it another Hockey history night in the Terrace Bay Arena.
