

RED ROCK ROYALS ELIMINATE SUPERIORS IN N.S.H.L. PLAYOFFS

The end of this season's N.S.H.L. was written for the Terrace Bay Superiors last Thursday night when they came out on the short end of a 2-1 score against the Red Rock Royals.

It came as a stunning blow to the Superior supporters who expected a hard fought game - but a different score. Ironically enough it was Superior's old bug bear Jorgenson, who robbed them of all their scoring opportunities.

Red Rock Royals cannot be denied their full share of honours for taking the seventh and final game of the series. They played hard consistently and with an intestinal fortitude that surmounted the obstacle of being underdog. We wish them continued victory against teams from the west.

The series has made history and has been refought, and rehashed off the ice. All we can say now is "Better luck next year to the Superiors," who are still the best team yet to carry the Terrace Bay colors.

In conclusion we think it is only right, on behalf of all the local hockey fans, that a great big vote of thanks goes out to all the players, the hockey executive, and anyone connected with the Superior organization for bringing a great season of hockey to Terrace Bay.

MINOR HOCKEY FINALS (cont'd from p. 1)

(Referees please note: If for some reason you cannot make it for the schedule as shown please let Ken Ward know at the Rec. Centre.)

Please note: Considerable transportation will be required to pick up the Kenora entries at the train Saturday morning, and also moving the Kenora Juveniles to and from the North Camp. It would be appreciated if the people who are taking in players would come down to the station Saturday morning, if you are running your car, and help us out with this project.
