LUNCHPAILS 12 - PALEFACES 4 IN HOCKEY CLASSIC - Before a roarin' crowd in the Terrace Bay Arena on Wednesday night the Lunchpails won their 5th game in this annual event. Palefaces have three games to their credit.

- Palefaces took the lead in this game with two quick goals - but Lunchpails turned on the pressure and started to build up a lead which turned into a good healthy one. There was some doubt about the qualifications of the officials, but the Palefaces do not anticipate submitting a protest. The Palefaces have no excuse really. The ice was good, the lighting was adequate, each player had skates and a stick, There was a puck to play with. The only real complaint was the fact that the Lunchpails got more goals than they did.

- Congratulations Lunchpails!!
