The next time you push your cart around the newly decorated "L & L Store" pause and have a look at our painting. You will find it on display inside the store near the fresh fruit and vegetable counter.

PUNCH FOR SAFETY CONTEST

Members of the Art Club will be around to sell you tickets. 25¢ or 5/\$1.00. We hope to sell a lot of them! And the money realized from their sale will, we hope, provide our next season's instruction.

This week F. Frank punched for safety. He was unfortunate not to punch a winner, however, he did punch a slogan which is:

"THE SKILLFUL WORKER IS THE SAFE WORKER"

We feel that good instruction has improved our work tremendously. Do come, and see for yourself. The date again- May 31st, afternoon and evening, at the Auditorium.

This week 10 persons will be asked this slogan. Those that can repeat the slogan will receive a silver dollar.

Notice to members: This Thursday we would like to see every one out to finish up work, see about framing or matting your work. An interesting set-up is planned for those with no work to finish. This week-end 16th - 17th Mrs. Limon will be with us again. See you Thursday, to prepare.

Let's remember the slogan as you may be the one that is asked.
