CLEAN-UP WEEK - MAY 26

\* \* \* \* \*

Residents of Terrace Bay are urged to make the week of May 26th a week to tidy up their premises.

We have a very attractive town, the appearance of the lawns and yards adding to or subtracting from the impression visitors and we ourselves get as we drive around the streets.

Residents are reminded of the following items:

1. Construction of homes and garages should be continued to completion.
2. Stripped or partly stripped cars will not be allowed to remain in drive-ways or at the back of lot.
3. Garbage must be placed in covered containers. Wet garbage to be placed in metal containers and combustable garbage in large enough containers to prevent it from getting blown around.

All the above items are enforceable and will be enforced.

Let's get busy and shine the place up for the coming summer season. The Board of Trustees asks the cooperation of every citizen of Terrace Bay in this venture.

WOMEN OF THE MOOSE

Twenty-two officers and co-workers of the Women of the Moose Chapter 1426 met at the club rooms in the Recreation Centre Wednesday evening for their regular Chapter night meeting.

Senior Regent N. Coates conducted the meeting and Recorder E. Burns read the minutes and letters. An announcement was made on the Mother's Day Ball and lunch counter for same. It was also announced that the dishes and glassware were ordered for the hall. Members answered roll call by donating tea towels and records to the hall. Co-worker Margaret Duriez and her committee served dainty refreshments from tables covered with the chapter's new table cloths, and a pleasant hour was enjoyed by all.
