RUBINOFF EXPERIENCES PERSONAL INTEREST IN MUSIC NEW TO VIOLIN

When Dave Rubinoff appears here Friday night, he will perform as violin solos the full scores of Chopin's Polonaise, the Warsaw Concerto, and Rhapsody in Blue. The public has grown to love these numbers arranged for piano and orchestra, but Rubinoff feels they lend themselves to violin equally as well.

A graduate of the Royal Conservatory in Warsaw, Poland, Rubinoff knew as a child the martial feeling inspired by the immortal Polonaise. Even with freedom today confronted with tyranny and treachery as Chopin knew it, the opus is appropriate as a current theme of the times. Rubinoff knew George Gershwin and heard him perform the Rhapsody in Blue for the first time in 1924. Richard Addinsell, Composer of the soul-stirring Warsaw Concerto worked with Rubinoff himself on the violin transcription.
