MINOR BASEBALL

Despite wet weather, several practices were held last week.

In this issue, players will find a schedule for the ball diamond, which shows when each team plays. This schedule will appear each week in the Terrace Bay News. Keep a copy handy so that you will know when your team plays. (see below)

ATTENTION MINOR BALL PLAYERS

Because of wet weather, there is often doubt as to whether or not games will be played. As a rule, on rainy days they will be cancelled. However, if in doubt, phone your team coach or captain.
