

TERRACE AGAIN SPLITS

WEEK-END BILL

MORO, HANSEN &

LASARGE STAND-OUTS

The Terrace Bay squad journeyed to the Lakehead for their first road trip of the season and came back with a

split in games. On Saturday nite in an abbreviated contest at McKellar Park the T.B.ers turned back the F.W. East Ends by a 6 - 3 count behind the 6-hit pitching of ace Jim Moro. Sunday despite a 14 strike-out effort by newcomer Larry Lasarge they booted away an early lead and succumbed to a 7-5 defeat at the hands of the Fort Arthur giants at the stadium. The results left Terrace Bay in third place and gave indications that should they play the kind of ball they are capable of they will be real contenders in this, their initial season in the Lakehead Baseball Association.

Saturday nite at McKellar Park the T.B.ers showed from the start that they were out to win. In the top of the 1st, Hanley got on first base on a Fielder's choice and went to 3rd on Marvin Osmar's double. He then scored on a wild pitch by Scavarelli, the E.E. pitcher. The next 2 men were retired. In the 4th another singleton was scored when Marvin Osmar was hit by the pitcher, and singled in by brother Maurice. In these 4 innings Moro and Co. had been retiring the East Enders without trouble.

It was then in the 4th that most of the night's scoring took place. In the Terrace 5th, Follard, Moro & Ward singled. Hanley singled in Follard & Moro also scored as East End right-fielder Hunt bobbled Hanley's hit. Ward was caught at home but Marvin Osmar got on by another error by Hunt and was doubled in by Hansen as was Hanley. This then upped the score to 6 - 0 for T.B. However, in the bottom of the 5th, the Fort Williamites came back with 3 runs as Cox singled, Seagris was hit by Moro, and Tait singled. Cox scored on Caruso's ground-out and then Davey hit a wrong-field triple to drive in 2 more runs. The score then read 6-3. With the sixth being scoreless, the final count remained at 6-3, the T.B.ers taking a well-deserved win.....

SUNDAY AFTERNOON before a crowd of 300

Carl Kolody started for Terrace on the mound and again met his previous fate as he was quickly pulled after 2/3's inning with 2 runs in for the Giants, the bases loaded & 2-out. Lasarge was promptly put in to pitch and quickly struck out the next man on 3 pitches to retire the side. In the 2nd he retired the side on 3 straight strike-outs.

It was then in the third that the T.B. squad started to roll as Lasarge walked, Ward singled, and both scored on a ringing double by Hansen, Hansen eventually scoring on an error. In the 4th they again scored 2 more runs as Hanley sacrificed in Ward after Stachiw had scored on an error. At this point it looked as if Terrace would pull away but the Giants had other ideas as they tied it in the bottom of the 5th as Cava scored on an error and Migay singled in 2 runs. Then in the 7th they scored their winning and insurance runs as McNeil singled in Akerval and Cava for a final score of 7-5 to send a delegation of Terrace fans home disappointed.

BASEBALL BANTER:

Jim Moro performed well on the mound Sat. nite as he received flawless support from his mates.....Ray Hansen's performance over the week-end was nothing short of spectacular as he continually pounded the ball and also played solidly in right-field.....Bill Hanley although lame and playing with a bad hand played a strong and steady game at the catcher's position.... The unveiling of a new pitcher in the personage of Lefty Larry Lasarge proved to be quite a treat. The classy, stylish left-hander performed brilliantly as he showed beautiful form with sharp-breaking curves & hooks. His style made one compare him to Milwaukee Braves Lew Burdette.....The Lakehead "Mr. Sportsman" Ed Cox of the East Ends showed no signs of age ever going to affect him as he hit 2 clean singles and performed gracefully in center on Sat. Nite....Ex-Maple Leaf Star Rudy Migay & Jr. O.H.A. star
