

Baseball (cont'd)

With the end of the schedule drawing near and the battle for play-off positions being well-contested, it is needless to say that support is definitely required by the team. Everyone is thus urged to attend these games if they possibly can and to make their attendance known vocally as well as physically.

A lifeguard will be on duty at the beach from 9 a.m. to 6 p.m. each day, starting June 30th. However, swimming classes will not start until the following Monday, July 7th.

This year, children who are taking lessons for the first time will have classes at the wading pool in the mornings. These same people will attend playground during the afternoon.

Advanced swimmers will receive instruction at the dam in the afternoon and will attend playground in the mornings.

Watch next week's "News" to see when each child is scheduled to attend swimming class.

Instructor for this year will be Mr. John Morrison; Lifeguard will be Miss Judy McCausland.
