

However Dixon gave way to Mowat after all the damage had been done. It was also the Red Sox who opened the scoring on Sunday as they scored one run in the 3rd when Chenier doubled, advanced on an infield out and scored on an infield out. This was all they managed as Thomas on the mound

neatly spaced a 6-hitter for Terrace.

Terrace managed all their scoring in the 4th as they roared back with 5 big runs. Marvin Osmar got things rolling as he walked. Moro and Maurice Osmar then singled to load the bases. Stachiw then banged out a clean single to score 2 runs. Hansen then singled to load the bases and Ward's single brought in another run. Thomas and Petrie struck-out but 2 runs scored when Hanley reached 1st on an error. Marvin Osmar then flied out to end the inning. This thus ended the Terrace scoring as they settled back to play a defensive game and choked off 2 possible Red Sox threats with 2 neatly executed double plays.

Jim Moro once again lost a tough decision as a result of costly errors on Saturday nite. Jim, and Brian (rookie) McLeay of Westfort seem to be the two tough-luck pitchers in the League. With a club like the East Ends, Jim's record could guite easily be 8-0 rather than 4-4, as it is now. Saturday nite Jim had to help his own cause. by hitting a triple, as he had no hitting support or, for that matter, fielding support from his mates ..... There was an awful breeze blowing up around home plate at McKellar Park Saturday nite as 16 Terrace Batters whiffed ......Jim Moro continues to pound the ball, as he had a 3 for 6. week-end and elevated himself to the position of the team's top batter with his .276 average .... Kit Thomas! debut on the mound was both successful and impressive. The big righthander worked easily as he struck out 7 and walked only 1. The support he received from his mates both offensively and defensively was superlative .... Sunday's game was without a doubt the best game Terrace has played all season. The team's hitting finally clicked as almost everyone managed a hit while the fielding was tremendous as they reeled off 2 double plays ..... Ray Stachiw's clean 2 run single won Sunday's game.... 3 bunt singles in a row on Sunday just about drove the Red Sox' infield crazy .... Copeland with 2 hits including a triple paced the Albions Saturday nite while Chenier with 2 hits including a double led the Red Sox on Sunday..... Ken Ward pulled a leg muscle on Sunday while trying to beat out an infield roller and this may cause him to miss action in the coming games .... An indication of the defensive support of the outfield on Sunday was the fact that 8 fly-balls were hauled down there ..... The Terrace hitters have been receiving a steady diet of lefthand pitchers and still they don't seem to be able to hit them .... This Sunday afternoon will see the Port Arthur Husky-Giants in

really be playing 2 - way heads-up ball.

This is the last double-header scheduled here for this season so everyone is urged to get out and see these last 2 games and to give the fellows all possible support.
