2. To consider and, if approved, pass any and all resolutions and give all such authorization and directions as may be necessary or desirable in connection with the foregoing.

MINOR BASEBALL

Over the past two weeks an effort has been made to choose All-Star teams in the various age groups to represent Terrace Bay against out-of-town teams from Red Rock and Marathon. So far the turnouts to All-Star practices have been very poor, so that it has been impossible to schedule games.

Practices will be called again next week, but if turnouts continue to be poor, the coaches will take it for granted that the players have lost interest and Minor Baseball will be discontinued for the balance of the Summer.

If you want to play, be at the diamond at the times indicated for your group in the Ball Field Schedule.

SWIMMING NEWS

Swimming tests will be held at the Beach on Friday, August 15th. Those who have attended classes regularly throughout the summer will be tested on that day by Norm West, the area supervisor.

Swimmers should be at all classes between now and next Friday so that they will be well prepared for the tests.

Those wishing to try tests should register with Mr. John Morrison, Swimming Instructor.
