CURLING CLUB NEWS

On Thursday last the executive of the Men's Curling Club held their first meeting of the year. They appointed Committee Chairmen for the coming season and drew up several recommendations for presentation to the general membership at the Annual meeting which will be held on Sept. 29th.

The executive hope that the Club membership will increase substantially this year and it was with this thought in mind that the above mentioned recommendations were drawn up. They deal with the following matters: dues--type of draw--method of choosing rinks and prizes. All club members will, of course, be given an opportunity to discuss and vote on these matters at the Annual Meeting.

Committee Chairmen are as follows:

- Secretary - Cliff Woods
- Membership - Ed. Pineault
- Draw -- Barry King
- Entertainment -- Howard Solly, Ray Boyle
- House, Rules, Publicity - Clarence Mann.
- Property & Prize - Chas. Koski, Brian Peterkin

- Bonspiel - Len Crockford
- High School Curling - Len Crockford
- Special Events - J. 'Curly' Hale.

The Executive expect the coming Season to be very successful. However, they will need the enthusiastic support of every club member to achieve this goal and, more especially, to attract new members.
