SELECTED BY THE U.S. GOVERNMENT
TO REPRESENT MODERN TELEVISION AT
THE WORLD'S FAIR IN BRUSSELS,
BELGIUM. WINNER OF THE WORLD'S
FAIR STYLING AWARD.

Because of the unprecedented demand for "SILHOUETTE" by SYLVANIA, and even though their plant at Dunnville, Ont. is working at full capacity, on a twenty-four hour a day schedule, Sylvania has notified us that at the present time they cannot guarantee immediate delivery on some models. They are doing everything possible to meet the demand and we would advise anyone desiring these sets to place their orders in advance so as to avoid any delay.

WE ALSO HANDLE SYLVANIA-LEONARD WASHERS, DRYERS, RANGES, REFRIGERATORS, and

HI-FIDELITY STEREOPHONIC COMBINATIONS
