

RALLY DAY HELD IN ST.ANDREW'S CHURCH

The annual Rally Day service was observed in St.Andrew's United Church on Sept. 21st, with a junior choir of 38, under the direction of Mrs. Alex Gordon, leading the singing. Miss Audrey Cawley acted as accompanist at the organ.

Dianne Slater led in the responsive readings; Judy D'Arcy gave the Invocation; Jack Gordon the Scripture reading; Sharon Macadam the Prayer and Charlotte Ross and Donna Slater the stories.

Mr.Crook, the Minister, paid tribute to the teachers in the Sunday School, saying that such an occasion as this, when their pupils took part in the regular divine service showed, in some part, the educational role played by their teaching. Their ease in taking their various parts might be envied by adults who hesitate to do so. It is, Mr.Crook continued, most beneficial for adults to take part in regular services of the Church, not only so that in the absence of the minister they are prepared to carry on with worship, but for the value of the discipline found in discovering and putting in words exactly what their faith is.

The Ministry of the Gospel is not only in preaching but in teaching and for the evening services Mr.Crook said he will try to explain the history of the United Church, its form of government, and the duties assumed by each officer; he will

also have a series of talks based on Biblical figures, attempting to get close to them and their lives and, on the various Books of the Bible and the message to be found in them.

There will be Baptism at the October 11th morning service and parents who are bringing their children are asked to contact the Minister so that he can visit them in their home prior to the service.

CONSTABLE KEITH SCOTT JOINS SCHREIBER O.P.P.

Constable Keith Scott has replaced R. Gamble with the O.P.P.Detachment here. Const. Scott came to Canada in 1952 from Dundee, making his first home in Fort William and two years ago joining the O.P.P.
