RECREATION FLYER

This week questionnaires will be delivered to every home in Terrace Bay, asking citizens three questions:

1. Are you in favour of a swimming pool for Terrace Bay?
2. Would you be willing to donate labor toward the construction of a pool?
3. Would you be willing to donate financially toward the construction of a pool?

Purpose of the questionnaire is to discover if the people of Terrace Bay are interested in building a pool, and to what extent they are willing to support it. Whether or not we go ahead will depend on the results of the questionnaire.

YOU MUST BE INTERESTED....either for or against. Let us know what your feelings are by filling out this questionnaire.

FIRE PREVENTION WEEK

If fire strikes your home, in what room will it start, The National Fire Protection Association says the most likely place is either the kitchen or living room where one out of every two fires start. Bedrooms and basements are the next most likely starting places.

This is Fire Prevention Week and a good time to check all the rooms in your home for fire hazards.

Don't give fire a place to start!

HOOLA-HOOP CRAZE HITS TERRACE BAY.

The Hoola-Hoop craze has arrived in Terrace Bay. On the way to work one morning your reporter saw a number of children play remarkable skill in keeping the plastic circle going round and round.

A fiendish little image of Mr. E. Prescott plus guitar and song and hoop flashed in my mind. Complete picture?

Here's good Fire Prevention Week advice. Clothing can burn--and cause death or disfigurement.

With children especially, watch out for frilly, loose-fitting garments and sheer, fuzzy fabrics. All too often they catch fire easily and burn in a flash.

Train everyone in the family to be doubly careful when near open flames, heaters, stoves and fireplaces.

THE UMBRELLA

If each & every Credit Union Member made it a point to bring in one new member during Credit Union Week, total membership would soon reach the one million mark. That's not a very big individual task, & like the little drops of sand in the nursery rhyme, it can help make a mighty land.

Don't forget the Credit Union Annual meeting and social evening, October 25/58, tickets \$1.00 per person.
