COMMENCEMENT EXERCISES HELD FRIDAY

Last Friday evening the graduates of the Terrace Bay High School were honoured at their Commencement Exercises in a quiet, reserved ceremony. The mature appearance of these young people as they accepted their diplomas and awards made one realize how quickly the years were slipping by and that even though Terrace Bay is a new town, the High School is now six years old.

The four high ranking students in the school were, Maryellen Reynolds-Grade IX; Rhea Leclair,-Grade X; Myrna Crandlemire-Grade XI; and Daisy Lehto from Grade XII. Each of these students were the winners of the Proficiency Shield in their Grade and was the recipient of the Soughton Jewellers Award. In presenting the latter awards, Mr.F. O.Soughton stressed the ever-present competition of the adult world and the need of training to face such competition.

Rev. A.Lavender was the guest speaker and, from his world of experience, selected what he had found to be the really important things in life--little things such as friendship and honesty and a helping hand. It was a homely speech--but one understood by all.

On behalf of the High School Board, Mr. J.A.Ferrier, extended a warm welcome to those present.

In his report, Mr. D.A.Locking, Principal, spoke warmly of the co-operation existing between the entire Staff and also the Board. He also mentioned the question of Grade XIII and the problems connected therewith.

Mr. Sayles and Mr. Ward, respectively, presented the Basketball Trophy and Most Valuable Player Award to the Girls' Team and to Ronald Schock and Diane Beddard received the Oratorical Cup for E.S.I.S.S.A. Competition.

Diane was also the Valedictorian and spoke sincerely and feelingly of her days in Terrace Bay High. She, maybe more than anyone else, made the audience realize how dear a school becomes to its students.

At the conclusion of the Exercises Tea was served to the Graduates and Award Winners and to their parents and friends. Mrs. W.E.Cavanaugh and Mrs. J.A.Ferrier presided at the tea services placed at each end of a lace covered table adorned with a silver bowl filled with autumn toned Mums surrounded by green tapers. The lunch was prepared by the Catholic Women's League and was very attractively served by the girls of Grade XII.

The Board and Staff are to be congratulated for the good taste and quiet dignity of the Exercises. Commencement is a milestone in the life of our
