

ELECTION - Cont'd from Page 1

whom will be elected by the people of the Town. In order to qualify for any of the above offices, the following requirements must be met:

1. The person must be on the voter's list and
2. Must be an assessed householder (Householder: A person who occupies and is assessed as owner or tenant of a dwelling or apartment house or part of a dwelling or apartment house separately occupied as a dwelling).
3. Be a British Subject.
4. Be 21 years of age.
5. Must not be disqualified under this or any other act.

Item 5 on disqualification deals mainly with people who have judicial jobs, who are in arrears for taxes, or have run afoul of the law in one way or another. Before a person's nomination is accepted by the Secretary-Treasurer, he will question the person involved at some length to make sure that they do not later become unseated because they were disqualified to begin with.

PERSONS QUALIFIED TO VOTE

The qualifications necessary for persons to have their names on the Voter's list are almost identical to the requirements to stand for council, namely: an assessed householder, or wife or husband of an assessed householder, a British subject, 21 years of age, and not otherwise disqualified.

Next week we will deal with the term of

office, School Boards et cetera.

KIWANIS HALOWE'EN PARTY

The annual Hallowe'en party sponsored by the Kiwanis Club of Terrace Bay for the children of the Community will be held Friday, Oct. 31st at 7.30 P.M. Following the pattern of last year, the party is actually scheduled as three separate parties of age groups---- 8 yrs., 9-13 years and 13 onwards.

The first age group - up to eight years - is due to assemble in the High School Auditorium at 7.30 P.M. Wherever possible children should be accompanied by either or both parents who will enjoy watching their offspring and also ensure maximum co-operation and the consequent winding up of events before the kids become tired.

Age group nine to thirteen will meet at 5.30 P.M. in the Recreation Centre meeting room from where they will be taken to the Theatre where a suitable movie will be shown at 6 P.M. (These times to be confirmed).

Finally, at approximately 9.30 P.M. the High School Auditorium will again be the centre of activity when a "Teen-Town dance will be held. It is hoped that this group will attend in larger numbers than last year. If not this part of the Hallowe'en festivities will be discontinued and the time and money devoted thereon transferred to other groups which appreciate the interest shown by Kiwanis.

As a guide to parents, the following list of awards will be made to the children at the 'costume party' (which is the party catering to the kids up to 8 years of age) (Cont'd Pge. 11)
