EDITORIAL: - Sunday afternoon in the Terrace Bay Arena, the Terrace Bay Superiors and the Marathon Mercuries played the first game in a two game, total goal series. The second game is to be played in Marathon on December 11th.

These games, we understand, give the teams a chance to play in actual competition prior to the start of the regular North Shore League schedule, and to help the clubs financially.

The winner of this series will receive the Soughton Jewelers Trophy which has been donated for annual competition.

A significant inscription on the Trophy is as follows:- "May the friendly competition for this trophy forge greater links of friendship between the two communities".

We believe any trophy which is donated to promote good sportsman-like competition between any two competitors is all for the general good of sport.
