CURLING NEWS

Regular scheduled curling got underway on Wednesday, November 19th. There are seventeen rinks so far. We would like to have one more to even the groups off at six each.

Invitations have gone out to Marathon, Schreiber and Rosspart to visit us on Saturday night, November 29th, for some social curling. Any club members who would like to help entertain these visitors should contact Curly Hale.

Our Annual Christmas party will be held on Saturday, December 20th, probably in conjunction with the mixed curling. How about signing up for the mixed event? It looks like there will be enough rinks for one draw every second Saturday night. There will be no restrictions re substitutions so shift workers should feel free to sign up.

Plans for our 11th Annual New Year's Eve Ball are well underway. Just a word well in advance to the ladies--we hope to

revive the old custom of wearing formal or semi-formal gowns on this occasion. Dress will be optional of course, but we hope that those of you who have gowns tucked away will dig them out for this very special night of the year.

FIGURE SKATING NEWS

A meeting of the Figure Skating Executive will be held on Friday, November 28th at 7.00 P.M. in the Small Meeting Room of the Recreation Centre. The progress being made by our local youngsters is very good and your continued co-operation in attendance and seeing that your child is on the ice at 4.00 P.M. each Monday would be greatly appreciated.

Ice times available for practice sessions are Thursday 4.00 - 5.30 P.M. and Saturday morning from 8.30 to 11.00 A.M.
