REC. COMMITTEE MEMBERS TO RESIGN

The seven members of the Recreation Committee have informed the Board of Trustees of the Improvement District that they are resigning from the committee effective January 5, 1959. The members stated that as they are appointees of the Board of Trustees, they felt they should retire from office at the same time the board gives way to a township council.

If requested to do so by the new council, the members offered to continue serving on the committee for a short period beyond January 5th to allow the council time to consider and appoint replacements.

Members of the committee are: Chairman Bert Ratchford, Vice-Chairman Joe Adamo, El Cavanaugh, Norman Coan, John Ferrier, Mary Hale and Alex MacDonald.

CURLING NEWS

IMPERIAL BANK TROPHY - Club Championship curling is well underway and from the looks of the score boards it would appear that the rinks are fairly well balanced. The first round will soon be over. We'll move right into the second round after re-grouping according to points; again in three groups.

Scheduled curling will end for the holiday season on Dec. 22nd and resume after New Years.

VISITORS - The Lawson and McKendry rinks from Marathon, the Slater rink from Schreiber and the Legault rink from Rosspport were weekend visitors at our Club. Good curling & good fellowship were enjoyed by the visitors & by the local members that entertained them.

LAST CALL for entries in the LongLac trophy mixed curling. Rinks will be drawn up on Thursday, with first draw on Saturday the 6th.
