CURLING NEWS

LONGLAC TROPHY EVENT - The mixed curling for this trophy got off to a good start on Saturday night. There are ten teams entered and it would seem from the scores that they are well balanced. It was also apparent Saturday night that everyone was having a good time and this of course was the primary reason for organizing this event.

CURLING NEWS - Cont'd.

The next draw will be held on Dec. 20th in conjunction with our Christmas Party.

Plans for our Christmas party are taking shape. Howard Solly is in charge of music and lunch; Clarence Mann is in charge of the program, including Christmas tree, lobby decorations and of course, old Saint Nick; and Ray Boyle has his department all set up. All members of the Ladies' and Men's Clubs, their wives, husbands, lady-friends or boy friends, are cordially invited to attend. If you have out-of-town guests, by all means bring them along. This will, however, be the only exception allowed in the 'Members Only' rule.

The deadline for entries in the North-western is Monday, Dec. 15th. To enter a team, contact Don Whitley.

Next week's 'News' will carry a full write-up on our Annual New Year's Eve Ball. In the meantime, line up a party -- and ladies, don't forget to dig out those gowns. Nothing adds to a New Year's party like a beautiful lady in a gown. We hope to see a good many of them in the Auditorium on New Year's Eve. Don't worry about a hat -- they've been ordered.
