HOCKEY - Cont'd from Page 1

Superior supporters.

Much controversy pro and con has been rampant throughout the hockey circles on the strategy or wisdom of the Terrace Bay Hockey Association executive in changing coaches. However, the decision has been made and Ed Pineault was appointed as Coach. Ed will be fortunate in that he has the able assistance of Ken Ward to mold the Superiors into a machine that will click right through this league.

Starting also at the Sunday game will be the sale of programs. Each program is numbered, save it, because at the end of the season a number will be drawn from a drum entitling the holder to an Elgin Automatic Man's Watch. So save your programs, there is no limit to the

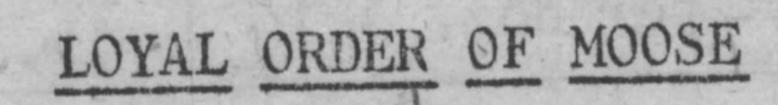

number of chances you can have.
