

SPORTS NEWS.YES!!! WE HAVE ONE--

Through the efforts of our Entertainment Chairman, Howard Solly, we have Procured the services of a good Lakehead orchestra for our New Year's Eve Ball. Howard spent a whole day in the Lakehead and with the help of Joe Charbon and Rocky Albertini, President of the Lakehead Musicians Union he was able to sign up Vic Arnone and his orchestra. We were fortunate indeed to obtain the services of an orchestra of this calibre for New Year's. So we are set for the biggest night of the year.

Good quality hats and noisemakers and balloons are on hand. Tickets are only \$3.50 a couple. They will be on sale shortly. All we need to make the party a big success is a good crowd.-- How about it?

Tickets will be sold at the door as long as there is table space, however, we urge you to make reservations by contacting any of the following : Doris Biesenthal Mill local 250, Mrs. H. Solly phone 3355; Mrs. J. McDonald phone 3687. Make your reservations early--pick up your tickets later from any executive member.

CURLING SCHOOL.

In response to many requests we are setting up a curling school under the direction of Len Crockford. The first session will be held this Saturday from 10 A.M. to 11 A.M. and from 1 P.M. to 2 P.M. Competent instructors will be on hand to instruct novices or experienced curlers trying to iron out the "bugs" in their curling. The response to this Saturday's effort will determine whether or not the school will be continued.

CHRISTMAS PARTY.

Plan on attending this annual affair--all club members, regular or associate, male or female, paid-up or otherwise, along with their partners are invited.

All mixed curling teams curl at 7 P.M. except for the Solly and McDonald teams which will curl at 8:30. The lobby will be suitably decorated and an interesting programme has been arranged. We will have the use of a stereo-phonie record player, courtesy of the Hudson's Bay Co.

NOTES IN BRIEF.

Harry Gusul has been appointed a Trustee replacing Alf. Gerow who resigned.

The dates for our Annual Spring Bonspiel have been set -- April 2nd., 3rd., 4th., & 5th.

There will be no scheduled curling from Dec. 23rd. to Jan. 4th. It is the hope of the executive that club members will take advantage of this period to arrange for social games. Associate members are, of course, urged to do likewise, at any time. Novelty Bonspiel to be held in Jan.

HOCKEY NEWS. The Soughton Jewellers Trophy will deck the Trophy Cabinet of the Marathon Mercuries this year at least. Superiors put up a good fight to hold their goal margin but were just outscored by the Merces.

Marathon's old reliables Amadeo, Charyna Henderson and Lanteigne were responsible for the eight goals which cinched them the Trophy. The line of Cyr, Osmar and Tookenay and Calder accounting for the remainder of the four goal total.

Marathon played a strong game of hockey. Their plays were fast and well executed. They found a weakness in the Terrace defense for the first two periods and capitalized before the Superior guards came out of their slump.

Nearly four hundred fans turned out Sunday afternoon and were not disappointed when Terrace Bay Superiors opened their first League game of the season by downing Nipigon Flyers nine to one at the Terrace Arena.

Sporting new uniforms the Superiors gave little leeway to the visiting Flyers. The defense was strong and the net tending by Dobson was spectacular. Flyers were outplayed but are a far from weak team, giving no goal without a good fight.

Ward was the only Nipigon Player to get past Dobson. Whalen of Superiors banged home two solid goals and assisted in five more. Ted Wainikka and Marv Osmar each accounting for two, while Pollard, Maurice Osmar, and Desrosiers got one apiece.

With the team clicking on the three offensive lines and the defense as effective as it shows it can be the League games this year will be ones you can't afford to miss.
