## SCHREIBER LIONS MAKE PRESENTATIONS

The Schreiber Lions made two presentations on December 19th of foremost importance to both the neighbouring communities of Schreiber and Terrace Bay, and the immediate district. The first was a gift of a Melco Oxygen Tent to the Terrace Bay Private Hospital. This tent is one of the latest and best iceless models, and will be a great asset to patients in need of oxygen therapy, and since the hospital did not possess such equipment, it will be appreciated by the staff who are noted for their care and concern of their patients.

H. M. Ermel, president of the Lions, formally presented the gift to Dr. D. J. M. McCausland, chief of Staff, and it was accepted with deep appreciation by E. J. Brady, chairman of the Board.

The second presentation was made in Schreiber, Reeve D'Arcy accepting the gift of an inhalator to be used in the town ambulance -- Mr. Ermel making this presentation also. Both Mr. Brady and Mr. D'Arcy warmly commended the Lions on their choice, the concern for others evidenced in the selecting of such gifts giving them an added significance and making the gesture one of which the Lions may well be proud.

The other Club members who accompanied Mr. Ermel for the brief ceremonies included Pete Hrynyk, Bob Skinner, Ford Richardson, Roly Gander, Neil Ross, Jack Ridsdale, Campbell Mayne and Jack Graham.

## SUPERIORS DROP THREE "AWAY FROM HOME" GAMES

Ending a hectic week of hockey from Sun. Dec. 14th to Sun. Dec. 21st in which only one game was played on home ice and a near 400 miles piled up in travel, Superiors can chalk up only one win and that on home ice against Nipigon with a 9-1 victory. Marathon on Tuesday humbled them 10-5. Nipigon Thursday revenged themselves & came out on top 8-5. Red Rock, meeting Superiors for the first time this year, on Sunday, edged ahead 4-3.

It would be nice to say that Superiors won each of the games but it's also good to see hockey being well played with evenly matched teams & this year that is just how the League has shaped up. Even with the losses the fans who saw the games were quite satisfied with the outcome. Each game has had plenty of suspense & excitement. It's only a matter of a short period before we see Superiors coming into their own.

The team will have a rest until Sun. Dec. 28 when they meet Nipigon Flyers at Nipigon, then on Tuesday, Dec. 30 they have to again journey to Red Rock.

The game we had been waiting for was on home ice Jan. 4th but unfortunately  
(Cont'd on Pg. 9)

## TO THE MOTORING PUBLIC

### SAFE - DRIVING CHRISTMAS & NEW YEAR HOLIDAYS

Your Provincial Police Officers at Detachments along the North Shore Route of Lake Superior at SCHREIBER, TERRACE BAY, HERON BAY, REGAN and MANITOUWADGE wish to congratulate the Motorists along this route in the way the toll of accidents, injuries and the loss on the highways have been reduced.

MAY WE AGAIN REMIND YOU - IF YOU DRINK DON'T DRIVE. HELP US MAKE THIS HOLIDAY PERIOD A DEATHLESS HOLIDAY ALONG THE NORTH SHORE ROUTE ON ALL THE HIGHWAYS.

(Signed) Ontario Provincial Police.

## VERY REV. DEAN E.A. GALLAGHER HONOURED

Sunday evening over two hundred parishioners gathered in St. Martin's Church Hall, Terrace Bay, to pay tribute to their revered Pastor, Very Rev. Dean E.A. Gallagher, who was recently elevated to the office of Dean by His Excellency, Bishop E.Q. Jennings. Representatives from the local parish and missions were in attendance at the presentation table and spoke enthusiastically of the zeal of their Pastor Dean Gallagher.

In his few words, Rev. Father Fournier, Schreiber, explained to those assembled of the honours and duties of a Dean in the Church, thusly creating a Deanery, and very humourously and warmly brought congratulations from the Parish in Schreiber. Mrs. C.W. Todesco paid a glowing tribute to the work being done in the Rosspoint Mission. Mr. Dan Gillis speaking for the Terrace Bay Parish drew parishioners attention to the honour given in this appointment.

Miss Rhea Leclair, Terrace Bay High School student, gave the address expressing the heartfelt gratitude of the parishioners to their Dean for the diligent and fruitful labour in the care of souls, and added, "You have brought honour to our parish and impressed on us our importance as a parish by your elevation to your new office. Therefore it is our privilege to take this opportunity to say 'Thank you, Dean'." Then assisted by little Elaine Shynkaryk and Terry Delaronde of St. Martin's Separate School, presented Dean Gallagher with a purse and T.V. set on behalf of the parishioners.

In replying, the Dean in his usual warm manner, with a little story or two on the side, spoke of his appreciation of the gifts and the constant support and general co-operation he has always received from the parishioners.

Films of the Corpus Christi Procession and the last Open Air Mass were shown to the gathering before the ladies of the Catholic Women's League served lunch and coffee.

We express our sympathy to Bert Lohr on the passing of his Mother, Mrs. Mathilda Lohr, in Winnipeg, Sunday. Em, Bert & Ricky left immediately for Morris, Man., to attend the funeral.
