A CHRISTMAS WISH

As we celebrate Christmas, 1958 in our homes with our families, our thoughts turn to those amongst us who through illness or other reasons are separated from their loved ones. Our wish is that the reasons for these separations will soon be eliminated and that the New Year will bring much happiness.

MERRY CHRISTMAS - HAPPY NEW YEAR to all our readers from the Staff at the Terrace Bay News.

A CHRISTMAS MESSAGE FROM THE FIRE DEPARTMENT

"Peace on earth--Good Will toward men" are words that express a thought which goes far below the surface. Without peace there is chaos--without good will our progress is blocked.

As we enter this holiday season and begin planning for the new year it is my hope and prayer for a greater fire safety program across the Nation, for at this time of year there are many sad occurrences. When misfortune injures a member of a family and, on many occasions, leaves a vacant chair, the consequences can never be truly evaluated.

Finally, and in simple words, I hope this will be a truly Merry Christmas for you and everyone at YOUR house, and that the New Year will bless YOUR home with all the good things of life and that you will be fire-free for another year.

Sincerely,

Geo. C. Maitland,

Fire Chief, Terrace Bay, Ontario.
