SCHREIBER TOWN COUNCIL HOLD INAUGURAL MEETING

The Municipal Council held its inaugural meeting with Reeve D'Arcy presiding and Councillors Caccamo, Harness, Gordon, McGrath and Clerk-treasurer R.C. Skinner present.

In his opening address Reeve D'Arcy welcomed all the councillors in their later addresses. He spoke in high appreciation of the conscientious work and co-operation of clerk R.C. Skinner who has just completed his first full year in that office. Mr. D'Arcy mentioned in particular the books Mr. Skinner has set up by which Council may ascertain the state of any department of their work. The great problem of the year will be the sewage question which must be settled shortly.

Schreiber has one of the lowest debt per capita of any community in the district, however, necessary improvements will, perhaps, change this picture. Snow removal is a major item but the year finished on the good side of the ledger.

Teen town officers present to seek advice were instructed by Council to have disturbers removed by the police and anyone in the building on the night of their dances, unless on business or by their invitation, were to be classed as intruders, whether they entered the dance floor or not.

A discussion was held on hospital coverage in various phases and a donation made to the C.N.I.B. The following employees were retained at present salaries: Clerk-R.C. Skinner; Assessor, A.W. Hadley; Utility man, T. Whitton and Dr. J.M. Cornell, M.O.H.

Mrs. M. Skinner was appointed to the Board of Health and Mrs. I. McCuaig to the library board for three year terms.

The Treasurer's bond was found in order for year 1959. Authorization to borrow \$25,000 was given pending tax collections.
