It is hoped that the schedule will open next week.

Please note that the Terrace Bay Recreation Association and the Minor Hockey Assoc., will not be responsible for articles lost at the Arena during public skating or minor hockey sessions. This is the policy in the majority of arenas, swimming pools, gymnasiums, etc., and is our policy as well. It would be impossible for one or two staff members to police dressing rooms for every minute during these events.

Parents are urged to tell their children to either keep valuables on their persons or to leave them at home.

HOWEVER, if any person is found pilfering or causing damage in any part of the building, he will be prosecuted.
