"Prayer is not so much the means whereby God's will is bent to man's desires as it is that whereby man's will is bent to God's desires. The real end of prayer is not so much to get this or that single desire granted as to put human life in full and complete conformity with the will of God."

**HIGH SCHOOL SPORTS**

On Saturday, January 24th, Terrace Bay High School played host to some thirteen hockey players and seven cheer leaders from the Geraldton High School.

The girl visitors were billeted in local homes and the boys spent the night at the North Camp Dormitories.

After supper, served in various homes, a hockey game between the Terrace Bay High School Team and the Geraldton boys ended with the visitors winning by a score of 13-9. Spectators were delighted with the clean, sportsmanlike manner in which the game was played - only six penalties (three for each team) being handed out during the game.

The evening concluded with the visitors taking part in the Teen Town dance which had been arranged to coincide with their visit.

Get lost in Terrace Bay??? Two of the visiting girls were unable to find the homes in which they were billeted after the dance (in the dark) and had to spend the night in the Hotel!

On Sunday the Geraldton group journeyed to Marathon for a hockey game with the High School team there. These games are all part of the scheduled inter-school sports arranged under the E.S.I.S.S.A.
