LATER.

MEN'S CURLING CLUB NOVELTY BONSPIEL

To be held on February 6th and 7th.

1. Points - All teams will start with 10 points. Difference in score in each game will be added to or subtracted from initial 10 points. E.G. -- if you win 10-5, add five points to your score, loser subtracts five.
2. Ends - All games will be eight ends, except in cases of a tie.
3. Draws - Friday, February 6th, 9 P.M. - 1 draw.
Saturday, February 7th - 6 draws.
Shift workers will be accommodated as well as possible.
4. Players - All members and associate members will be curling unless names are signed to lists posted at Curling rink or main mill bulletin board. Lists will be posted Jan. 22nd and removed February 4th.
- if you don't want to curl, sign the list.
5. Prizes - 1 set of prizes for high scoring team.
1 set of prizes for low scoring team.
6. Party - Saturday night - open to all club members and partners.

Mixed Curling

Due to the above bonspiel the February 7th draw will be postponed one week to Feb. 14th.

OSTLING RINK WINS 2nd PRIZE IN MARATHON

Last weekend the Ostling Rink took 2nd prize in the first event at the Marathon Bonspiel.

Rune, Cliff Wood, Don Whitley, and Doug. Knight came home possessors of a Ronson '66 Electric Razor each.

CHILDREN IN ONTARIO.

THIS IS ITTHE TERRACE BAY NEWS NEWS'LOOK'

For some time now we have been experimenting with various types of paper and an assortment of printing devices. We now believe that we have found a combination which will please both our customers and ourselves.

We hope, as time progresses, to be able to handle more of your printing and advertising needs such as programmes, tickets, etc.

MARATHON CORPORATION TO SPONSOR SAFETY MEET

On February 3rd and 4th, Marathon Corporation of Canada Limited will be host company for a two day Safety Meet for delegates from all paper mills in the Northwestern Ontario Section.

The delegates will tour the Plant at Marathon on February 3rd and later in the day the section's Executive will have their regular meeting.

A Dinner will be sponsored the same evening by the host company at 7:00 P.M. at the Everest Hotel. Guest speaker will be Mr. F.O. Soughton of Terrace Bay who will give an illustrated talk on The Brussels World Fair.

Wednesday, February 4th, will be devoted to a series of meetings, commencing at 9.00 A.M. in the Recreation Hall.

Mrs. Fred T. Morrish, Safety Supervisor, The Ontario-Minnesota Pulp & Paper Company Limited, Fort Frances, Ontario and General Chairman for the group will Chair all meetings.

Reports will be presented on the Branch Contest - A summarization of injuries for the last quarter in 1958 and a paper will be given on "The Hazards of Chlorine Dioxide Bleaching".

For the afternoon session a film "One is too Many" will be shown. Mr. D.B. Chant, Secretary-Engineer, The Ontario Pulp & Paper Makers' Safety Association will lead a Panel in a discussion on "46th National Safety Congress".

To round off the meeting, Mr. Soughton will again address the group and his topic will be "What makes a good Safety Programme?"

This will be the first meeting of the Northwestern Section in 1959 and a large attendance is anticipated.

Verle Thompson, Safety Supervisor of the Terrace Bay Mill will attend in his official capacity.

The recent announcement by Pope John calling for an Ecumenical should add impetus to what evangelists have been increasingly crying during the past decade - a return to religion.
