

FIGURE SKATING - Cont'd from page 3

It was suggested that children not in the above groups bring a light lunch to the Arena as it will be some time later before they are finished.

We would like to see all children in attendance as one missing could throw out the entire group.

NORTH SHORE NURSES ELECT NEW OFFICERS

On Thursday, January 29th, a meeting of the North Shore Nurses Group was held in the Terrace Bay Recreation Centre, with twenty members present from Marathon, Schreiber and Terrace Bay.

Officers were elected for 1959:- Mrs. E. Cruikshank, Terrace Bay, Chairman; Mrs. T. Thompson, Terrace Bay, Secretary-Treasurer; Mrs. F. Manson, Marathon Representative; Mrs. J. Carmichael, Schreiber Representative and Mrs. M. Buck, Terrace Bay Representative.

Mrs. F.C. Zettler of Schreiber, the retiring Chairman, thanked everyone for their co-operation during 1958, and turned the business of the meeting over to Mrs. Cruikshank.

Considerable discussion arose concerning the disposition of funds collected in Terrace Bay, Marathon and Schreiber, payable to the Mental Health Fund. Plans were made to contact Mental Health Authorities in Port Arthur asking that a representative be sent to Terrace Bay in March to accept the cheque, preferably at an open meeting.

A new project for 1959 was discussed, but nothing conclusive was decided.

TERRACE HIGH SCHOOL NEWS

This weekend, Jan. 30 to Feb. 1, has been a very busy one for the students of Terrace Bay High.

On Friday, January 30, there was a dance in the High School. Beginning at 9.30, the dance continued until midnight with the deadline of attendance being 10.30 P.M.

Then, on Sunday, arranged by the ESISSA, which looks after the inter-school sports, the Nipigon-Red Rock High School group came down and three games were played; a hockey game, a girl's basketball game and a boy's basketball game.

The hockey game was well-played. The Terrace boys were really on the beam, especially the Schock-Fedun-Moore line which had excellent passing & team play along with the help of the team. The Nip/Rock cheerleaders added much enjoyment to the game. The final score was 12-2 for Terrace Bay.

After supper, the basketball games began. In the girl's game, NIP/Rock was very good at passing and making

baskets. The marvelous scoring of Marlene Kowalik and Sylvia Wick brought in a very high score for the Nip/Rocks. Rhea LeClair made some points for the Terrace team, but the score ended 42-19 for the visitors.

They also won the boy's game 23-20. It was a very hard-fought game. Both teams were excellent in passing and defense. Again the cheerleaders were out keeping up their students spirits.

After the game, lunch was served and the Nip/Rock players left on the long trip home.

There is just one thing wrong with our North Shore schools. They are too far apart. The Terrace Bay students really enjoyed the fun and excitement of competing against Nip/Rock, but a home-and-home series hardly gives anyone a chance to make friends and then a whole year passes before that acquaintanceship can be renewed. Just the same, it's better to have some games than none, and Nip/Rock gave us more than we could handle in basketball.

STORK CLUB NEWS

Born to Mr. and Mrs. N. Nesbitt of Schreiber, a daughter on February 2nd.
