

GUN CLUB

Registrations of those hoping to form a Gun Club continue to mount. To date we have names of people interested in hand guns, target rifles, skeet and trap shooting. If you're interested in any of these, let's register at the Recreation Office now.

Several ladies have expressed a desire to belong so we'd be pleased to hear from others.

SUPERIORS LOSE LAST THREE GAMES

Superiors had another tough luck week both in losing players through injury and in coming out second best in the last three games. Last Thursday Marathon edged them 4-3 in a game that was close all the way through. It wasn't until the last minute and a half that Maurice Osmar drew an interference penalty and gave the Mercs just the edge they needed. The game could have swung the other way and, except for the fact that Superiors lost there was no complaint about the hockey played.

Red Rock played here Saturday; this was the postponed game of last January. Again the Superiors didn't come through with the tie-breaker. Red Rock beat them to the punch at 18:54 of the third period to set the score 3-2 in their favour. Superiors withdrew Dobson for the last minute, then the puck came out of a scrimmage in front of the Royals' net and slid into the unguarded Superior net.

Superiors went up to Red Rock on Sunday short handed, four defense, six forwards and the net minder. Before the second period ended we had three defense and five forwards. Pytyck, stopping a breakthrough, slid backwards against the goal post. It looked serious for a while but the outcome is a sore back which will bench him for awhile. Cyr, turning at the boards, got the puck on the forehead, which sent him to the taylor's but he should be okay for the next game.

Anyway, Red Rock boast a 7-3 victory against Terrace.

This Thursday, February 5th, Marathon will be here again and we hope, against a full, revenge seeking Superiors team.

Sunday, Feb. 8th, at 1.30 Nipigon will visit this Arena.

Superiors will journey to Marathon, Tuesday, February 10th.

To Superiors, Red Rock and Nipigon, the remaining game will determine the outcome of critical standings in the North Shore league, take your cue from that.

The Hockey Association, on behalf of the girls selling the programmes, thank the spectators who are helping the Superiors by purchasing a program. Every program you hold increases your chance of winning the watch which you will see displayed in the Recreation Centre.

NOTICE TO PARENTS

During the Winter it has been noticed that a number of children have been arriving at their schools from thirty to forty-five minutes before the commencement of classes both morning and afternoon. This has been occurring even when the outside temperature has been far below zero.

(Next column)

Schools are not prepared to admit children to school rooms until a quarter of an hour before classes are called. We therefore ask the co-operation of the parents in seeing that their children leave for school at such a time that they may arrive within fifteen minutes of school being called.

COMMUNITY CHURCH AUXILIARY MEETING

Many new faces were noted by President, Mrs. R. Paget, at the February meeting of the Ladies Auxiliary in the Community Church, and a welcome extended to these to continue attending with the regular members. Despite a very blustery night, it was encouraging to note so many present. Mrs. Emily Lohr accompanied the opening hymn and Mrs. Kay Graham read the Scripture. Mrs. Stella Brown led in prayer.

The business of the meeting was conducted with minutes and thank you notes read by the Secretary, Mrs. V. Galvin and the Treas. report presented by Mrs. N. Coan. The various convenors gave their reports. Mrs. Paget announced the afternoon group had held their first meeting the same afternoon with eighteen present. Mrs. Wade had been elected chairman of the group and there were different work projects under perusal. World Day of Prayer was announced as being on February 13th. The President then closed with the benediction.

Mrs. G. Soughton, Programme Convenor for the year, outlined her theme for the coming year as "Women of the Bible" and highlighted each monthly topic in a shadow play with the assistance of Mrs. Helen Farrell, Mrs. P. Kelly and Mrs. I. Goodfellow. For the lighter side of the programme, Mrs. L. McCausland gave an informal talk on the care of African Violets, and answered the innumerable questions which followed her demonstration. Tea and Valentine cakes served by Mrs. Esther Keller's February Committee concluded the evening.
