MARY ELIZABETH BANKS MARRIES FRANK MOORE

The marriage of Mary Elizabeth, youngest daughter of Mr. and Mrs. Norval Banks, Terrace Bay to Frank Fredrick Moore, younger son of Rev. and Mrs. Frank Moore of Red Rock was solemnized Saturday, January 31st at 3 o'clock in St. John's Anglican Church, Schreiber. Rev. Moore, the groom's father, officiated with the assistance of Rev. Inshaw and Rev. Reimers. Mrs. Inshaw presided at the organ and the Church was adorned with a background of gladioli in shades of deep coral.

The bride, who was given in marriage by her father, wore a waltz length gown of nylon net, embroidered in scallops. Her headdress was a tiara of moonstones, pearls and irridescent holding a fingertip veil of silk illusion net and she carried a white Bible overlaid with sweetheart roses and white satin streamers knotted with rosebuds.

Miss Diane Beddard as Maid of Honour was gowned in pale yellow embossed nylon over taffeta. She wore a pale green nylon tulle picture bonnet and matching mittens and carried a colonial bouquet of yellow baby mums caught in white tulle and with streamers of varying shades of green and yellow.

Mr. Lloyd Gauley of Red Rock was best man.

A reception was held at the home of the bride's parents, 181 Hudson Drive, following the ceremony when Mrs. Banks received in a princess styled dress of brown, semi-belted, brown accessories and a corsage of yellow roses. Mrs. Moore assisted in receiving and chose a pink tweed suit, a wide brimmed hat of champagne color and black accessories. Her corsage was of pink roses.

A toast to the bride was proposed by Mr. Don Brearley and the guest book was circulated by Mrs. Lloyd Gauley, sister of the groom. Mrs. Myrtle McBride, sister of the bride, cut the wedding cake and servitors were Mrs. A. Latour, Misses P. Romaniuk & J. Brearley. A two-tier wedding cake decorated with pink flowers round each tier held a miniature bride and groom under an arch of flowers and wedding bells, was centred on the bride's table covered with an ecru lace cloth.

For their motor trip to Toronto, Ottawa and Montreal the bride donned a double breasted suit of rose and blue plaid, black accessories and her corsage was of sweetheart roses. Mr. & Mrs. Moore will reside at 49 Timmins St., Red Rock.

Prior to their marriage the bride was entertained by Miss P. Romaniuk at a Miscellaneous Shower at her home.

Out of town guests included: Miss N. Stephanson of Port Arthur, Rev. & Mrs. F. Moore, Mr. & Mrs. Lloyd Gauley, Maureen & Patti, Mr. & Mrs. C. Schooler & Andrew, Mr. & Mrs. W. Moore, Frank & Dawn, Mr. & Mrs. T. Jeffrey, Miss Betty Ann DeBlois, Mr. G. Marks, Rev. A. Reimers of Red Rock, Rev. & Mrs. Inshaw, Mr. & Mrs. L.R. Weaver & Terry Lee, Mr. & Mrs. Bruce McBride of Schreiber.

TERRACE BAY HIGH SCHOOL NEWS

Saturday evening the High School played host to a visiting hockey team from Manitowadge High School. The game was well played with both teams showing excellent sportsmanship. For the first two periods, spirited by the pretty cheerleaders, the Terrace boys were leading, however, in the third period, Manitowadge took advantage of the lagging defence of Terrace and the final score was 7-5 for Manitowadge.

After the hockey game, Manitowadge and Terrace Bay went to a Teen Town dance held in the Recreation Centre. The dance was a bit crowded but everyone enjoyed themselves. It ended at 12.00, with the visitors being billeted in homes of the Terrace Bay teenagers.

ELECTRO-MAGNETIC ROCKET LAUNCHER

All year round scientists from Russia and U.S.A. have been making rockets and satellites while, unknown to most people right here in town two Grade X scientists, Bill Garvin and Dennis Bouchie have been secretly experimenting on their own. After long months of effort they developed a multiple rotary switch which they connected to a series of coils mounted along a suitable glass tube. One memorable day in January unknown to the rest of the world these two daring scientists launched their tiny metal rocket into the atmosphere of the science room.

The principle involved, according to the boys, is quite simple. Once they have overcome a few difficulties such as the need to obtain more potent power from the hydro electric commission, larger and better coil et cetera they feel it is but a matter of time before they will have launched Canada's first satellite.
