are asked to sign this form. Signing up will not guarantee that you'll get on a team but it will let the Skip's Committee know who is available.

SPELLING BEE - (Cont'd from Page 1)

Students in Grades 5, 6, 7 and 8 from schools in Rosspport, Schreiber, Terrace Bay, Coldwell, Marathon and Terrace Bay will be competing for valuable prizes. Marathon walked off with most of the laurels last year. It is hoped that more local children and adults will turn out this year to support their favourite contestants. There will be no charge for admission.

shown. Help was requested of the members for the Smorgasbord which was again under the con- ventionship of Mrs. R.Ostling. Those desiring tickets for the 5:15 sitting should contact Mrs.Hodgkiss for reservations immediately.

Mrs.H.Goodfellow introduced the speaker, Dr.A.Lavender, who spoke inspiringly on the part the Women of the Bible played in the Easter drama. Mrs.Soughton thanked Dr. Lavender.

Mrs.Beddard led a singsong as Mrs. M. Dorman and Mrs.S.Synishin prepared to show the ladies how to colour and design Easter Eggs in traditional Ukrainian fashions. Tea and Hot Cross Buns were served by Mrs.Keller and her March Committee.

IMPROVEMENT DISTRICT BOARD SET INDUSTRIAL ZONE

At the regular meeting of the Board of Trustees on Feb.25th, it was decided to set up a zone within the Improvement District, close to the town, for the location of light industries such as small welding and repair shops, etc. The area proposed would lie parallel to the mill road and south of it, between Highway 17 and the road into the present South Camp. The area would be readily accessible from the highway and railroad, would have good facilities for shops, such as electric power, etc., and could be expanded as required.

A third-year civil engineering student has been retained for summer work in the town on streets, curbs and other engineering problems.

The Secretary-treasurer of the Board and his assistant will go to Atikoken in the near future to attend a meeting of District Assessors. This is a phase of Municipal work which is very confused at present. The Provincial Government and other agencies are doing their best to try to arrive at some standard form of procedure that will apply to all Municipalities for assessment.

The Municipal Board sits this week in Toronto on the matter of changing the Improve- ment District to Township status. We should know shortly as to when our election will be.

The Provincial Police Officers reported that last month was very quiet in police work.

The report of the M.O.H., Dr. McCausland is quoted elsewhere in this paper.

The Board said farewell to Arch Drifffield,

who has acted as a member for four years, specializing particularly in financial matters and in the administration of the Public School. They expressed their thanks to Mr. Drifffield for his diligent and effective work for the town, having contributed very generously of his time and efforts to carry out routine administration town work and to improve many phases of it as well.

The Board regrets very much that they are losing the services of Mr. Drifffield.

DONNA BREARLEY TERRACE BAY TEEN QUEEN

Lovely Miss Donna Brearley was crowned "Teen Queen of Terrace Bay for 1959" last Friday evening in the High School Auditorium. On hand to crown the new Queen was the Queen of last year, Miss Sandra Phillips.

Ken Ward, Recreation Director, opened the evening with a few words of explanation to those in the audience. Ken stressed that Teen Town was not just another hangout for young people, but a place to gather with those of their own age and learn to become good citizens and he sincerely hoped those present see the progress made by the local group.
