## ANNUAL NORTHWESTERN ONTARIO YOUTH CONFERENCE

The seventh annual Youth Conference will be held in Port Arthur on April 2nd, 3rd and 4th. Headquarters and conference site is Lakeview High School and a banquet will be held in the Exhibition Coliseum.

The programme, which starts with registration of delegates and billet assignments, on Thursday, April 2nd, has, from first to last, been carefully prepared to present to teenagers thought provoking topics which will help them become well adjusted citizens.

Speakers will discuss subjects such as 'The Teenager and Society'--'Teenagers and the Law'--'Boy-Girl Relationships'; there will be discussion groups, Teen Queen Contest and even 'coke breaks';

Entertainment in the form of luncheons, dinners, record hops and dances are also part of the events.

Port Arthur Teen Town Club Rules will apply to the conference events. To allay the fears of out-of-town girls even dress rules are designated.

It is expected that a delegation from Terrace Bay and Schreiber will join the other groups from all parts of Northwestern Ontario at the Conference.

Interested parents may examine the complete programme and Teen Town Rules in the "News" office.

The Conference is under the chairmanship of Darcy Hagberg of Port Arthur.

## MARATHON MERCURIES WIN N.S.H.L. CHAMPIONSHIP

On Saturday night, before a record crowd, in the Terrace Bay Arena, the powerful Mercuries turned back the Nipigon Flyers with a 10 to 4 score in seventh and final game in the N.S.H.L. League Playoffs.

The Mercuries now take on the Fort Frances Canadians in a best of five series for the Thunder Bay crown. The first two games are to be played in Fort Frances on March 20th and 22nd then the series moves back to the North Shore for Tuesday and Thursday, March 24th and 26th. These games could possibly be played in the Terrace Bay Arena.

Marathon Mercuries, we understand, have Dave Whalen and Marvin Osmar of Terrace Bay Superiors, playing for them against Fort Frances.

Another North Shore League playoff goes down in history. The Mercuries ended regular league play with a substantial lead but a fighting Nipigon Club came from the cellar to knock last year's Champs, the Red Rock Royals, out of the semi-finals in four straight games then went on to a last ditch fight with the Mercuries in seven games to give hockey fans one of the best playoff series in the North Shore finals.
