## WELCOME ANGLER & HUNTER DELEGATES TO TERRACE BAY FOR SPRING MEETING

On April 25th and 26th the semi-annual meeting of Zone One, Ontario Federation of Anglers and Hunters will be held in Terrace Bay.

It is expected that some thirteen Fish & Game Clubs from White River to Fort Frances will send approximately sixty delegates. Several senior officials from the Department of Lands & Forests are also expected.

The Terrace Bay Fish & Game Club will, of course, be the host Club and Stan Hodgkiss, President of Zone One of the Federation will be the chairman for this semi-annual meeting. Dr. H.H. MacKay, Chief, Game, Fish & Hatcheries, Department of Lands & Forests, will be the guest speaker at the banquet which will be held on Saturday night at the Hotel Terrace.

The agenda for the two day meeting is a full one. Committee reports will be given on every pertinent subject connected with conservation as well as several resolutions presented for consideration of the convention.

Conservation is of vital importance to the Province of Ontario and we are fortunate in having such an organization as the Federation of Anglers & Hunters who do so much for the preservation of wild life.

May the delegates from Zone One have a very successful Spring Meeting this coming weekend in Terrace Bay.

## MENS CHORUS GO TO MINNEAPOLIS FOR BIG SING

The Annual Big Sing is being held in Minneapolis this year and 18 members of the Terrace Bay Mens Chorus including our accompanist Ellen Hodgkiss will make the trek.

The Big Sing is conducted each year by the Upper Mid-West District of the Associated Male Choruses of America, of which Terrace Bay is a member. This year it is expected that twelve Choruses comprising of upwards of 300 men will attend from the district which includes Fort William and Terrace Bay in Ontario and many other town and cities in Wisconsin and Minnesota.

Our Chorus is privileged in having the honour of singing two solo numbers as well as participating in the Massed Numbers and, as usual, a good time in general can be expected.

Most of the fellows are being accompanied by their wives, who also look forward to the annual occasion.

This year the men will be resplendent in their new dinner jackets which were ordered in time for the Big Sing and which is now their permanent wardrobe for concerts.
